Hammam Journey

Hammam Ritual Kese

① 30 minutes / \$125

A traditional Turkish cleansing ritual, this deep exfoliating scrub uses a kese mitt to remove dead skin cells, leaving your skin soft and smooth. Enjoy on its own, or as an add-on to any Hammam Journey.

Hammam Mud Wrap

© 50 minutes / \$155

This 50-minute journey begins with an exfoliating kese scrub, followed by a warm mud wrap. The mud is rich in minerals and nutrients, which help detoxify the skin and reduce inflammation. While relaxing in the wrap, your therapist will provide a soothing scalp massage.

Hammam Exfoliation & Massage

① 75 minutes / \$245

This 75 min treatment starts with a full-body exfoliating kese scrub to improve skin tone and texture, followed by a soothing full-body massage with warm oils to ease muscle tension.

Platza

© 30 minutes / \$100

An age-old ritual for radiating skin that's soft to the touch. Performed in hammam for maximum benefits, the traditional Platza uses gentle whips of fragrant oak leaves to stimulate circulation on the surface of your skin.

Enjoy as a 30-minute session, or incorporate the Platza as an add-on to other spa treatments for true Turkish indulgence.

Float on cloud nine with this 110-minute, full-body experience. Performed in our Vichy Room, the Ethereal Escape combines all three hammam experiences — invigorating kese scrub, detox mud wrap, followed by Platza treatment using a bundle of fragrant oak and eucalyptus leaves to further exfoliate, concluding with a restorative full-body massage.

The Secret of Ottoman Court

© 80 minutes / \$300

Our signature warming spice ritual is designed to invigorate body and spirit, and leave your skin ultra-soft. The journey begins with a full-body exfoliation using a kese scrub to buff away dull skin cells. A second exfoliation using our exclusive peppermint and seaweed scrub further smoothes and nourishes the skin.

Next, we envelop you in a cocoon of warm, antioxidant-rich spice mud, adding providing deep hydration and warmth. While the mud works its magic, your therapist will provide a soothing scalp massage scented with uplifting lime and palmarosa. After a rinse, the body is massaged with a ginger- and orange-infused oil to increase circulation and melt muscle tension. Emerge feeling totally relaxed and rejuvenated, with perfectly polished skin for an inside-outside glow.

Blissful Escape

80 minutes / \$275

Escape the everyday and find your bliss with our signature serenity ritual. First, a full-body exfoliation will buff away dirt and dull skin using a traditional kese scrub. A nourishing lavender sugar scrub further exfoliates and polishes the skin, followed by a relaxing scalp massage with aromatherapy to quiet the mind.

Your therapist will then cocoon you in a warm wrap soaked in minerals and antioxidants. Besides its physical benefits, this therapeutic wrap encourages rest, aids sleep and alleviates stress. A relaxing foot massage rounds out this Blissful Escape. Vichy Room
